PUBLICITY AND OUTREACH:

COVERAGE BY YOUR NEWS OFFICE: *** Please inform your institution's public information or news office as soon as possible about this acceptance. *** This office may publish newsletters and reports describing the institution's research or it may keep lists of papers published in major journals. In some cases the writers may want to publicize your work with the local media, and they need as much lead time as possible. To find the appropriate office, try searching for your institution's name at <http://sciencesources.eurekalert.org> or <http://www.newswise.com/resources/ncd/>.

COVERAGE BY APS AND AIP: Your research will be considered for the APS Publication Physics (physics.aps.org, which includes Focus), AIP's magazine Physics Today and other APS and AIP publications if you submit a summary following the instructions at the web address below. Submit your summary as soon as possible to allow time to consider and if appropriate produce the story before your paper is published.

Summary submission instructions:
